Safety, community & advocacy for homeless women

On The Rise creates a community where women have the relationships, safety and resources they need to move out of homelessness. We engage with those most in need and support their initiative and strength as they move beyond crisis and discover new possibilities.

On The Rise's day-time safe haven annually serves over 350 women from throughout Greater Boston, who are in the most dire circumstances. Since our founding in 1995, On The Rise has helped hundreds of women move from surviving on the streets to living and thriving in their own housing.
